November 27, 1985

Mr. David A. Mako
Geologist
Diamond Boullion Corporation
520 West 2nd South Street, Suite 2
Salt Lake City, Utah 84101

Dear Mr. Mako:

Re: Declaration of Exemption for Bulk Sampling in the Tintic Mining District, DOE/023/019, Juab County, Utah

The Division has received your Declaration of Exemption (DOE) for bulk sampling activities of mine dumps in Tintic Mining District, Juab County, Utah. The four sites consist of the Centennial-Eureka Mine Dump in the NE 1/4 of the NE 1/4 of Section 24, Township 10 South, Range 3 West; the Gemini-Stone Mine Dump, NW 1/4 of the SW 1/4, Section 13, Township 10 South, Range 3 West; Eureka Hill Mine Dump in the SE 1/4, SE 1/4 Section 13, Township 10 South, Range 3 West; and the Grand Cental Mine Dump in the SW 1/4 Section 19, Township 10 South, Range 2 West. Because of the close proximity of all four sites the Division recognizes these four DOE requests under one DOE. As part of that recognition, the Division requires that following sampling activities the ground surface be regraded to minimize surface disturbances to the area. Also, the Division would request that Diamond Boullion Corporation notify the Division following the completion of the sampling activity.

We appreciate your filing with this Division, if you should have any questions regarding the above actions please do not hesitate to call.

Sincerely,

L.P. Braxton
